## YOUR MONEY RETURNED

If Hyomei Does Not Cure You of Catarrh, Say Rickert & Wells.

In advertising that they will refund the money to anyone purchasing a Hyomei outfit who can say that it has done them as good in the treatment of catarrh, Rickert & Wells mean exactly what the guarantee says.

Of course the percentage of cures by Hyomei is nearly one hundred or else they could not afford to make this unusual offer. But if the treatment should not be adapted to your case there will be no questions or quibblings when you go to get your money.

That the beginning of catarrh is due to the presence of germs in the air passages is now admitted by every physician. It stands to reason that catarrh cannot be cured unless these germs are first destroyed. The Hyomei treatment kills the catarrh germs even in the most air cells, soothes and heals the irritated mucous membrane and makes complete and lasting cures in cases that have resisted the usual methods of treatment.

Catarrh cannot be cured by medicines administered through the stomach. Hyomei is the only natural method and it has made cures that seem miraculous. The outfit costs but \$1.00 and consists of an inhaler which will last a lifetime and sufficient Hyomei for several weeks' treatment. Additional bottles of Hyomei can be procured for 50c.

Rickert & Wells give their personal guarantee with every Hyomei outfit they sell to refund the money if it does not cure. There is no risk whatever to the purchaser of Hyomei.

### Street Duel in Chicago.

Chicago, Nov. 19.—Frank Russo, eighteen years old, and Ferdinand D. Viniento, twenty-one years old, met in front of Russo's rooms in Archer avenue. They had long been enemies, it is said, and without a word of warning they rushed at each other. Viniento fired as he ran, and Russo stabbed him with a stiletto as he himself fell. Thirty people standing near by saw the battle, and policemen who came had to beat their way through a crowd. Anthony Russo was arrested for complicity in the crime.
